Personalization- Brokerage

The screenshot shows the MOJO INFINITY logo at the top left and a user profile icon at the top right. Below the header, a title reads "Enter Details to Personalize your portfolio done". The form is divided into three steps: 1. Brokerage, 2. Residential Status, and 3. Negative Stock List. Under step 1, there are three radio button options: "FIXED AMOUNT PER TRADE" (which is selected), "PERCENTAGE OF TRADE VALUE", and "I DON'T KNOW". Below these options is a text input field with the placeholder "Enter Amount (Upto Rs 100 per trade)". At the bottom of the form is a blue "CONTINUE" button.

Enter your brokerage structure

- We will use these brokerage rates to keep adequate buffer when generating trades and this will also be pre-populated when you enter the trades
- You can choose a fixed brokerage per trade (up to Rs100)
- A fixed brokerage rate per trade (up to 3%)
- Or select I Don't know and we will use 0brokerage
- Please include any charges/taxes etc. if you want these to be a part of the calculations

Personalization- Residential Status

The screenshot shows a web interface for MOJO INFINITY. At the top, the logo is on the left and a user profile icon is on the right. Below the header, a title reads 'Confirm your eligibility to participate in stocks banned for NRIs'. A progress bar contains three steps: '1 Brokerage' (green circle), '2 Residential Status' (blue circle, currently active), and '3 Negative Stock List' (grey circle). The main form area has two radio buttons: 'RESIDENT INDIAN' and 'NON-RESIDENT INDIAN', with the latter selected. Below this is a checkbox labeled 'Only suggest stocks which Non-Residents can participate in', which is checked. At the bottom of the form is a large blue button labeled 'PROCEED'.

Confirm Your Residential Status

- This will be pre-populated basis the details you furnished during your account set-up process
- This step is to confirm that if you are an NRI, we will exclude the stocks which NRI's can't invest in due to regulatory restrictions

Personalization- Negative List

The screenshot shows the MOJO INFINITY user interface for the 'Exclude Stocks' section. At the top, the MOJO INFINITY logo is on the left and a user profile icon is on the right. Below the header, the title 'Exclude Stocks you do not want to invest in' is centered. A progress bar below the title has three steps: '1 Brokerage' (green), '2 Residential Status' (green), and '3 Negative Stock List' (dark blue, indicating the current step). The main content area contains the instruction 'Please select any stocks which you cannot invest in due to regulatory or personal reasons' followed by a search bar with a magnifying glass icon and the text 'Search'. Below the search bar, a note states 'You Can Modify the restricted stock list at any point of time.' and a checkbox with the text 'I understand that due to stock restrictions my portfolio performance may vary from the ideal model portfolio'. At the bottom, there is a large purple 'SUBMIT' button.

Stocks you do not want to invest in:

- Select the stocks which you do not want to be a part of your portfolio
- You can add and remove stocks from the list and also specify the reason from the drop-down.
- Do note that excluding the stocks may impact the performance of the portfolio under advise
